We're having a baaad trip!

The 90s are the 60s upside down, inside out, and dumber than heck!

© 1991 yes, you sixteen-year-old morons it's 1991, not 1971 - evan "hate generation" dorkin, who loves nothing.

WHY IS IT BACK? WHO WANTED IT? WHO WILL STOP IT!?!

Cheese - have you noticed this odd trend in music, video, and fashion, of late?

If you mean this insane late 60s/early 70s retro revival, we notice alike.

It's very scary. It shakes me mightily.

It's gotten way out of hand

I must say I don't care for it. I certainly don't feel "with it."

With what?

See!?! I've no goddam idea! It's 60s! It's stupid!

Let's KILL IT.

WE ARE AS ONE! WE MUST BURY THE LIVING-DEAD 60s! WE WILL "GO UNDERCOVER" and DESTROY THE PAST FROM WITHIN THE PRESENT! (whatever the hell that all means!) WE ARE COMING FOR YOU, 60s!

Hey Baby! Check me out! I'm the love generation!

DIG My action! I am the age of AQUARIUS!

God, I hate hippies!

I look at you in your "groove threads" and it makes me want to even bash YOU in--- my good friend!

Don't worry - I even want to kill ME! I'm a goddam hippie!

Let's get this over with quick so we can ditch these clothes! The joke is old in only two panels!

FREAKY HIPPIE HIT

warning: no transition to next panel! I think you can handle it! - eu

So what's the skinny, dudes?

well, hey, it's not so much an attitude as it's a **trend** were responding to and are hopping aboard - we're dressed in outfits we made fun of our parents for wearing but **loved** when we saw them on **hot**, happening, young M.T.V. acts. We've spent small fortunes inorder to achieve our downtrodden, anti-establishment, counter-culture look. I mean, how else could you do it?

Tonight we'll spend ridiculous amounts of money to hear snotty young bands rehash performers and albums we've never heard but love to "name-drop" and nod our heads in reverence to..

James Brown! Godfadda of Soul! Sly Stone! Velvet Underground! Parliament! Whoo!

We don't know any of their stuff but, jeez, they're like gods to us, man!

All my white friends find it hip to be "down" with "black music" without actually listening to it' Fab 'Cool'

So you see, were basically white, suburban, upper-middle-class media brats who've embraced an era's fashion while ignoring its culture, politics, and history. We know we'll tire of it soon, but hallucinogenics are trendier than cocaine right now and we can rip up our clothes when late 70s punk nostalgia kicks in!

This answers many questions. All we can say is..

PEACE.

Hey, thanks man. 'S beautiful.

On January 15th, 1919, a steel tank 50' high by 90' diameter tore open in Boston, unleashing a 20' high wave of sticky molasses. 2.3 million gallons flooded the streets at 35 miles per hour; killing 21 people, leveling 4 wooden buildings and part of an elevated railway. Horses that wandered into the mire had to be shot. It took a week to recover all the bodies.

CHAPTER THREE

1992

tell me--- what the hell is MILK & CHEESE

We don't know.

But if we DID, we wouldn't tell you.

If someone asks you, "Hey, what the hell is Milk and Cheese?"

And trust us, no one will.

Here's some scholarly-ass opinions on we two comedic types- use them to inform

"The Comics Journal says we're a "one-joke strip"

Jerks. Anyone can see this is a "no-joke strip."

They further state, "You can't defend these strips, but they're hard to resist."

What the hell does THAT mean? Lets sue those bastards...okay?

Some guy named Dan Sicko in "Anti-Matter" magazine said we're "pint-sized dairy products that hate, bash, and bludgeon anything we deem stupid."

Like guys with fake "punk rock" last names?

That's mean, Milk.

Just living up to our press, Cheese.

Scott Vice in the "Salt Lake UnderGround" says we're "one of the truly funny comics being produced."

What does he know? He lives among Mormons.

I like Mormons They're funny

S.L.U.G

Well, they make ME laugh.

"Reflex magazine" said we're "pint-sized (again) crossbreeds between Harpo Marx and Howard Stern". We think it was meant as a compliment but we're taking it as an insult.

REFLEX

Then they voted us #3 in their critics poll- but what kind of "critic" reads comics?

That's RIGHT. Listen up, people- "MILK and CHEESE" is just another goddamned COMIC BOOK.

Yes. That's all. Didn't you know?

We're NOT an absurdist take on violence. We're not a focus for Social Commentary. We're not a condemnation of American ignorance and consumerism.

No

we're not?

We're MILK and CHEESE!

HA HA HA

You're all so ridiculous!

But thanks for the money!

Cheese - come look! I dropped a Krakus Polish Ham on an old rabbi! His spastic reactions are extremely comical and pathetic!

Un momento por favor, Milk. I'm a bit confused here.

...Usually our cartoon antics all start with little circles on top of the page with little us's in them... I don't see them...

Is there a mistake or a management change or am I merely off my feed?

We had a separate "title page". It's very artistic and "high concept". It's a "graphic". It also eats up a page of the comic quickly. Forget it. Now come look-- he staggered into the street and got clipped by a Honda minivan.

Hmmm... a "title page". I guess we're in for one of our "avant garde" self-referential strips.

Oh well, let me see your rabbi...

Hey-Milk-you've got writing on your back!

Really?!? What's it say? Writing on my back... that's different.

O.K. I will...

...Feh! I still can't see! But- let's pretend I can---

"KLIM"? KLIM IS MISSING? A missing KLIM notice is on my back?!?

WHO IS THIS "KLIM"?!? He's terribly cute - such a boy could generate incredible merchandising activity! I feel for him emotionally!

If you say so... but what about finding the missing KLIM?

Oh, Fuck that noise!

WHAT? MILK! I'M SHOCK-O--LA'D!

That nonsense was an excuse to get us into a car and out in the country to cause hilarity. We can lose that guff now.

See!?! The stuff on my back is gone! It was only there for the last page- I mean, did you ever see it on me before? We've done lots of cartoons before and there's never been anything on my carton!

Duped by a plot contrivance- I'm out of the loop of my own comic strip- eerie!

So what about the Kerouac-type jazz?

Especially if this man is a big fat liar and is always fabricating outrageous stories? What if this man is a drunk or on drugs or merely incredibly stupid or is very, very tired? What good is truth in a world of morons?!

THERE IS BUT ONE TRUTH - MILK & CHEESE TRUTH!

Heed a facet of our truth! WE DARE ANYTHING! what is a DARE to beings such as we two?!? A jape? A jest? A dare is but a test! And never test such dangerously carefree individuals like MILK & CHEESE! Leave it to us-we're experts!
...we're live in Los Angeles, where fires, looting, and violence continue in the wake of the Rodney King trial verdict... four white police officers were acquitted of brutality charges against King, who is black... the jury, which was all white save one hispanic, failed to convict the officers despite the arrest and beating being captured on videotape... dozens are dead as..

Yes. Perhaps Americans can only unite as violent opportunistic maniacs. It is our common bond.
ALL RIGHT, EVERYONE, MOVE ALONG --GO ABOUT YOUR BUSINESS!

Oh. Look. A police officer. This should be interesting.
Look you, let's move it along, I want no trouble.
Then why'd you become a cop?!
I KNOW WHY!
I KNOW!
I KNOW WHY!

CHEESE EXPLAINS IT ALL FOR YOU!

Everyone knows the majority of cops are namby-pamby sissy boys, insecure bullies who need badges, guns, and fellow officers to prove their manhood and compensate for their small penises. These are the imbecile, brute jocks from high school who couldn't get jobs anywhere so they took every civil-ass service test they could and accepted the job that gave them the state's blessing to vent their anger, hate, and frustration on others - a boys' club for gunnuts, racists, thugs, and alcoholics!!!

Are you insulting police officers?
Us? Ohhh, NO, sir. We're watching t.v.
Oh, that mess in L.A. See how those people act? That Rodney King was a criminal and they make him a goddam hero.

I don't think he's a hero... I believe he is a victim. We know what a victim looks like... we're experts on violent matters.

Show me an honest, caring cop, and I'll show you a candidate for a mental breakdown!

He's just another criminal. He went through a red light. He resisted arrest. Those cops were only doin' their job. Sometimes someone gets hit.

As we said, we're violent experts. This was clearly a hearty beat-a-thon. It resembled a lynching or frat hazing gone mad. We give it a "ten" for undisciplined mayhem.

1 0 1 0 5 7

We took notes on the incident - they surrounded, overpowered, shocked, and battered. We plan to use these tactics in a future strip on bankers.

Yeah. Whatever. I'm tired of hearin' you two civil-rights attorneys -- Now move the fuck along, huh?

Civil rights - us? Cheese, I don't think Mr. Policeman's learned anything here today.

No. Maybe he's anti-Semitic and hates my badass, funky, Kosher-deli-style self!

Let's bring a fresh perspective to his eyes with the force of a groin kick!

Let's play Rodney King. Let's say you did badly -- let's say you ran a red light or, um... were a racist bigmouth.

We're tough guys.

If you were white or we knew we were being filmed we'd act just the same... maybe.

Now, any normal person would see this comic strip and say, "My word, they beat the hell out of this guy way out of proportion to the man's offense and resistance to arrest. Put these thug animal bastards in jail!" You'd think that, but obviously visual evidence is NOT enough if a prejudi-

1992
Happy NoYear!

I've nothing to say in my little circle today.

FOR THE VERY...

...LAST TIME?

Get these goddam logos outta my face!

GIN XXX

Yes. It's the hairy truth, Milk and Cheese are sick of comics and have decided to run away. Enough... is enough.

We've auctioned off the props and story lines. And we've sold our backgrounds off for beer money. Also, it's a clever way to get this last strip done swiftly and easily!

Shhh! Cheese! - we vowed -- no jokes in this strip! No comedy for the undeserving! WE GO JOKELESS!

We've been funny enough! Tilled the mines of hilarity! Milk and Cheese have done it all! Sight Gags! Puns! Wordplay! Physical Humor! Witty Repartee! Groin Kicks! We quit while we're ahead!

BEER BEER

MILK

HA HA!

AHEAD?!?

AHEAD of CHEESE?!?

oop - sorry... I could not help myself to some comedy.

ONE FOR THE ROAD GIN

We need Freedom! If we can't be the most favored and beloved cartoon stars, then we will QUIT! QUIT QUIT QUIT QUIT QUIT!

We are not CONTENT to be merely well thought of! We are not two pen-and-ink footnotes to some gutter medium! Say we are SPOILED! We are not! We are MILK and CHEESE and we will not be DENIED!

Yes - so you fail yourselves, foul readers. You don't know what you have until you haven't it! See?!? See See See See See? Well, see no more, for there will be no---

Cheese! Was that "spoiled" line a joke?

WHAT?! oh... OH! "Say we are SPOILED"! I See - MILK and CHEESE... spoiled... I get it. Sure, I get it now. Heh. Sorry. I didn't mean for that to come out quite that way. Spoiled... Hm.

Well... no matter now, as we've quit and all. See - we've used the last of our word balloons.

I will miss jokes. Jokes are funny. No more jokes.

Only down to non-joking words now.

MILK! I'm a-scared now! If we quit -- will we cease to exist?

GOING!

GOING!

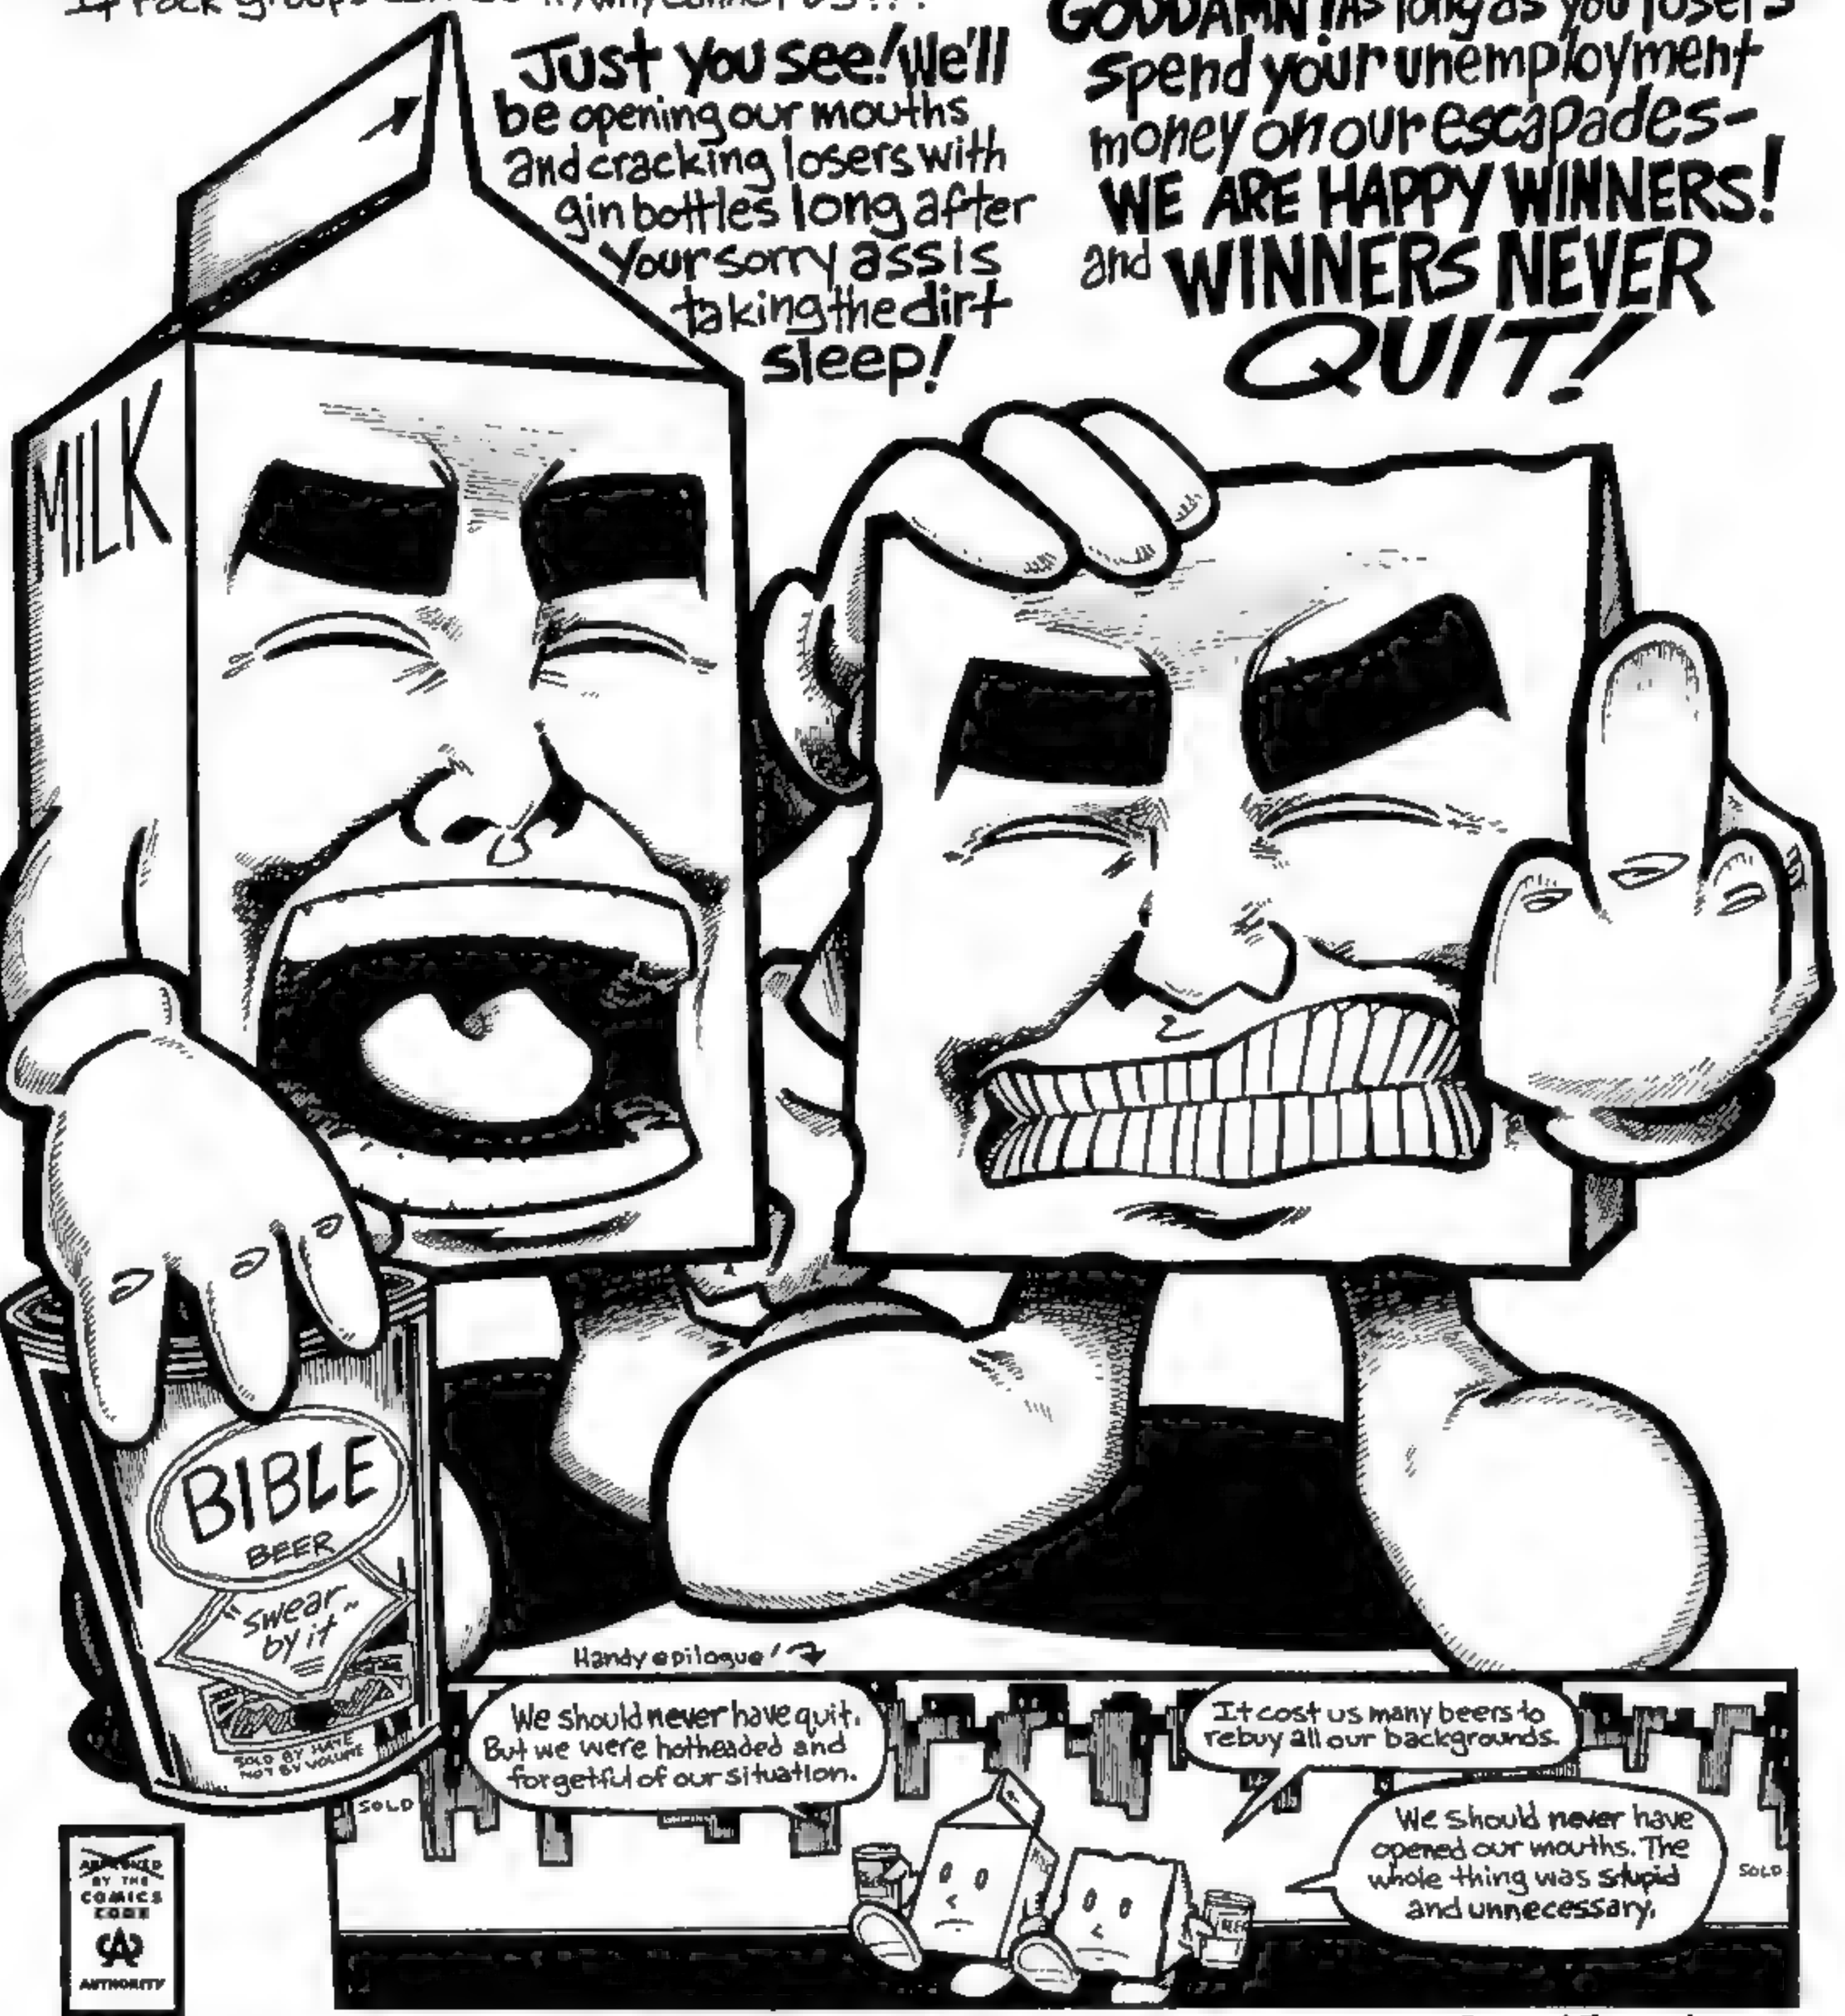
GONE?

HA! Double HA!

We won't quit-why the hell should we? We won't give you the satisfaction! You smug bastards! WE'll NEVER QUIT! NEVER SAY DIE! (oops, just did!) We'll always be here!! ALWAYS! We will continue to recycle the same basic premise of MILK & CHEESE FOREVER!
If rock groups can do it, why cannot us?!?

Just you see! We'll be opening our mouths and cracking losers with gin bottles long after your sorry ass is taking the dirt sleep!

NOW WE WILL TELL A JOKE! the BIGGEST joke of them all! AND - YOU are THIS JOKE! the Joke that is you is forty feet high and eighty feet wide! BIG JOKE you are, yes? So, Jokesters, be you glad we are back? Don't answer, for WE DON'T GIVE A GOOD GODDAMN! As long as you losers spend your unemployment money on our escapades - WE ARE HAPPY WINNERS! and WINNERS NEVER QUIT!



Handy epilogue!

We should never have quit. But we were hotheaded and forgetful of our situation.
It cost us many beers to rebuy all our backgrounds.
We should never have opened our mouths. The whole thing was stupid and unnecessary.

MILK--WE HAVE STINKY MORNING BREATH! IT'S PHYSICAL STUFF!

IT MUST BE SO! LOOK-- The wallpaper is peeling! The ceiling paint is running! The T.V. is sweating! All from our combined breath output!

Eerie!

And manly!

Our morning breath is a terrifyingly effective offensive weapon! The morning breath of Milk and Cheese is indeed-- MIGHTY MIGHTY!

But how could such a wondrous and incredible thing be possible? Wild speculation and a peek at the script leads me to wonder-- IS OUR MORNING BREATH A RESULT OF WHAT WE ATE LAST NIGHT?

WHAT DID MILK and CHEESE EAT LAST NIGHT?

um.. Beenie Weenie, Spaghettios, Spam, Captain Crunch, Captain Crunch with Crunchberries, Eggo Waffles, Nutter Butters, Hormel Chili, Ecto Cooler, White Castle Onion Rings, Razzles, Fig Newtons, Fruit Roll-ups, Kraft Macaroni and Cheese, Swanson Hungry-Man three-piece Chicken t.v. dinner with "some dark meat portions"... DAIRY PRODUCTS GONE BAD, in:

tenement COOK-OUT!

©94 A 'Quinn-Dorkin production...

WE BRING YOU COMEDY!

YOU'D BETTER APPRECIATE IT!

CHAPTER ONE: DECISION AT DAWN!!

CHEESE! I've decided at dawn! I want to picnic indoors! I want to toast marshmallows! I want a cook-out! Okay? Let's!

Hmmm... cook-out. Hmm... this appeals to one such as I, a willfully slap-happy cartoon character! I say YES to cook-out!

CHAPTER TWO: REQUEST FOR FIRE!!

We are temporarily stymied regarding cook-out. We have no fireplace.

We must seize the day by the horns! We'll make our own fireplace!

Don't you need permission to drastically remodel an apartment?

No-just a crazy brain!

Milk & Cheese HAVE CRAZY BRAINS!

START the BLAZE! We need kindling! What do we have for torching?

We can light... pillows? Soap? The neighbors? "T.V. Guides"?

Nay. Stay thy hand from yon bibles. They may YET be needed. Those shows may be on again and we'd be lost.

An excellent point..

I know! Let's burn these stupid COMICS.

Okay.

100 COPIES MILK AND CHEESE #3

100 COPIES MILK AND CHEESE #5

CHAPTER THREE: FIRE IN THE HOLE!

We have Cook-out! Oh happy happenstance! TO THE GOOD LIFE!

Such a day! A gentle blaze, fine victuals, and Ernest Borgnine in "the Devil's Rain" on T.V.! Is there more to LIFE?

Hey-the fire's getting bigger!

Good gosh!

You know what this means, don't you?

Yes.

SNAP CRACKLE!

JIFFY POP!

POP POP POP POP POP POP

I think not!

Okay, now there's too much fire.

I agree.

GIN!!

CHAPTER FIVE: TOO MUCH FIRE!

TOO MUCH FIRE! TOO MUCH FIRE!

As if we don't have enough problems, the damn neighbors' smoke alarms won't shut up! I can't hear "The Devils Rain"!

What can be done? The fire might spread to our t.v.! This is a quandary!

I guess we'll have to end our cook-out. What can we use to snuff yon burning pile?

Water. Dirt. Sand. Mud. Extinguishing foam material. Blood. Urine. An intervention from God.

Right!

So we'll throw whiskey on the fire!

Sounds good to me!

TOSS!

TOSS!

CHEAP WHISKEY FOR CHEAP SKATES

NASTY SHIT FOR OLD BUMS

FOOSH!

OOSH!!

BIG FIRE!

It went-- Foosh-oosh!

FLAME ON!!!

CHAPTER 11: BANKRUPTCY!

We can see the whole cook-out from here. It's nice.

But who are those goofs raining on our parade?

The Roof! The Roof! The Roof is on Fire!

This looks like arson, chief--

IT'S NOT ARSON! We deliberately SET that fire!

Why are you putting out our day?! Quit it!

WE MUST STRIKE WHILE the IRON is HOT!

CHAPTER 13: THE END.

Now we must find new lodgings. This will mean throwing out the present occupants. And we'll need to replace our beer.

We must away! we can still catch the awe-inspiring conclusion of "the Devil's Rain" and see Ernest Borgnine MELT!

NO MATTER! Milk and Cheese are adaptable to new and sudden situations! Even STUPID ones!

OUR GOAL IS SET! Nothing will bar our way! We are MILK and CHEESE--we are a HUNKA HUNKA BURNIN' HATE!

Ladies and Gentlemen... Milk and Cheese have just burnt the building.

the MAyhem is the MESSAGE!

I'm completely tired of everybody on t.v. saying t.v. is VIOLENT! T.V. IS SO NICE! I LOVE T.V.! LEAVE T.V. ALONE!

How **dare** they call our t.v. violent!? Our t.v. is beautiful! It gives us **pro wrestling**! It gives us **Maury Povich** and the phone number for the **FLOWBEE**!

We can scientifically **PROVE** that our T.V. is as safe as whatever! We will rent and view 83 chaotic violent films riddled with bad acts--(as seen on t.v.!)

Will this activity increase our propensity for violence and nuttiness? I do not know-but part of me secretly hopes so!

Well, that's the last of the entertainment violence. The Hollywood death marathon is done.

We saw 83 violent films, excluding "Mame", because we were fooled by the title. So...are Milk and Cheese affected?

I feel no different. My hate's the same.

As is mine. I feel the same-save for a cheesy bladder made chubby with Budweiser.

What shall we do now?

O.K.!

Why don't we see what's on television?

We now return to "FULL HOUSE"!

AAAAAA!

T.V. DOES TOO MAKE US VIOLENT!

AWAY, NOXIOUS BOX! Take to the AIRWAVES!

IT'S TRUE! T.V. CAN lead to violence! It begets violence-WE'VE SEEN IT BEGET! WE MUST WATCH T.V. WITH CAUTIOUS CARE!

Our first course of action will be to **lock out** the Family Channel! Ahh... I already feel safer from cathode harm!

MILK and CHEESE

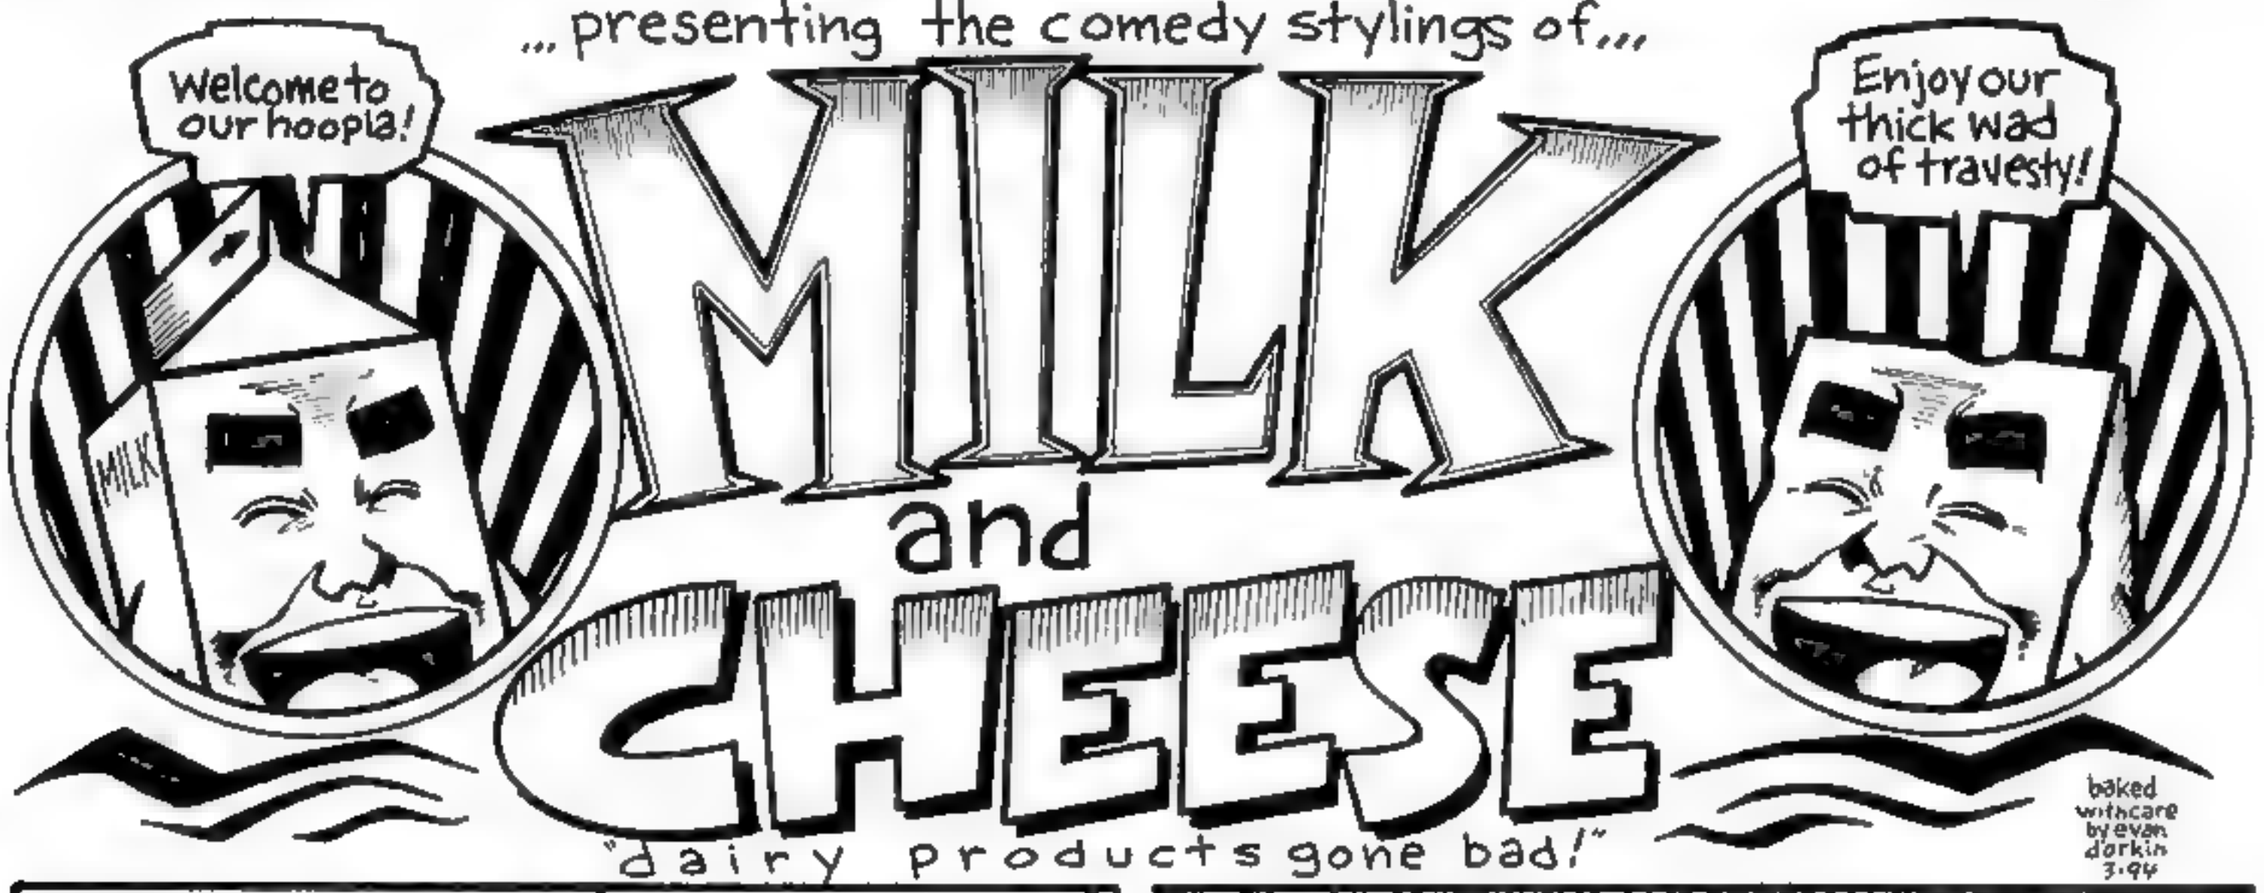
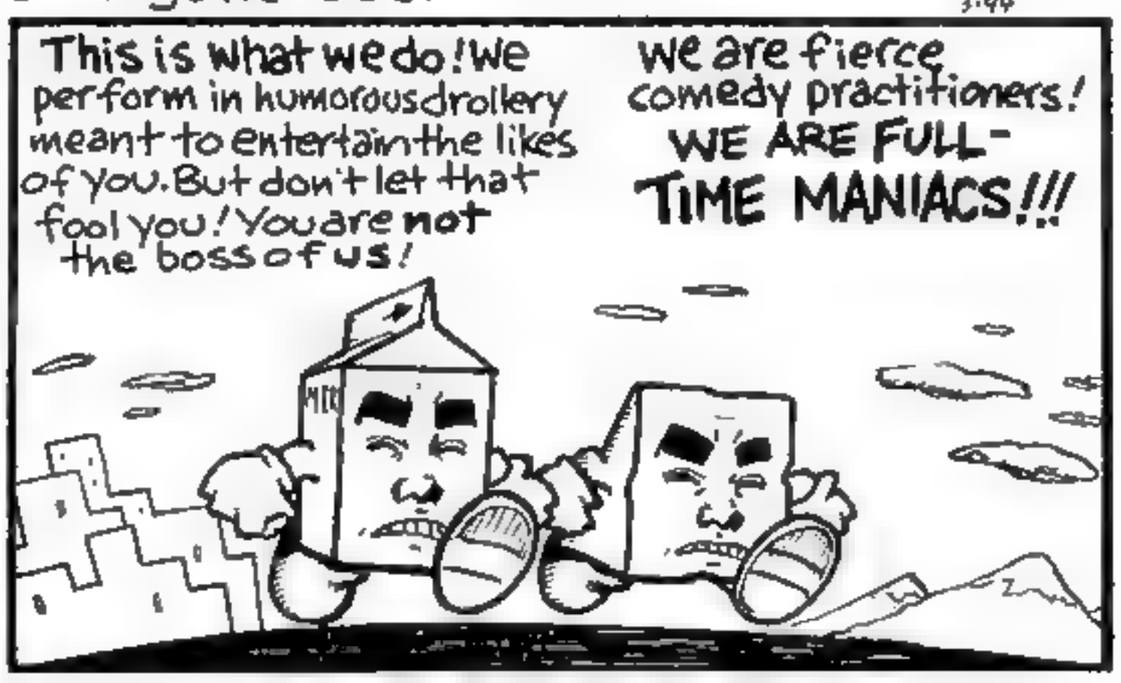
"dairy products gone bad!"

baked with care by evan dorkin 3.94



Greetings. We are the show-business success stories known as Milk and Cheese.
We appear before you now in order to establish and illustrate the savvy nature of the MILK and CHEESE onslaught of funny entertainment and crass showmanship.



This is what we do! We perform in humorous drollery meant to entertain the likes of you. But don't let that fool you! You are not the boss of us!
We are fierce comedy practitioners! WE ARE FULL-TIME MANIACS!!!

1 "Sometimes we tell jokes in a traditional 'funny' style--"
To wit:
Cheese-have You read "The Tiger's Revenge?"
"Claude Balls."
No. Who wrote it?
Oh. I get it. "The Tiger's Revenge by Claude Balls." HaHa.
WAIST PUNS 1901-1994

2 "We also utilize visual humor. Often, in the form of extreme physical brutality--"
Have at thee!
AAAG!
(You see, this is a SIGHT GAG because we struck him in the EYES!)

3 "Often, we will employ devastating Social commentary!"
Hey! Fat kid! We hate you!
Be lonely. Society despises a large child.
:SNIF:
HARD ROCK CAFE
"Notice our keen lack of subtlety!"

4 "Our razor-sharp wit will often be used to skillfully examine pop-cultural concerns--"
AAA-OOGA!
Jack Klugman commands us!
KRAK
CRUNK

Because we are professionals, you sharper readers will see that we often COMBINE our comic methods!
And so you have it! You have the cut of our jib! The jist of our Milk and Cheese thing! Now go! Turn the page!

SOCIETY IS TO BLAME! IN

THIS ISN'T OUR FAULT!

We were abused as wee young uns!

DON'T BLAME US!

We're from a single-parent farm! ONE COW! No dad to tough-love us! No fault of OURS!

WE'RE NOT RE-SPONSIBLE!

We're oppressed! Too short! Too ugly! Too un-popular! STICK IT To the MAN!

WE'RE BLAMELESS OVER HERE!

We're SICK! SICK SICK SICK!! Sopping wet with alcohol we cannot make lucid judgments!

I blame my parents....

DON'T LOOK AT US!

CULPABILITY LIES ELSEWHERE !!!

Its roots lie in t.v.! Rap music! video games! Heavy metal, pornography, comic books, fast food, and backgammon!

Yes. The fault lies in our Stars. Like Norm Crosby.

oh, oh, sure. He's no good.

SOCIETY IS TO BLAME! All OF IT! Even the little bits you hardly notice!

PLUMP

KELPKINS

We're DAIRY PRODUCTS of a WASTEFUL SOCIETY!

Such a day! We caused good grief!

Yes! And no one can pin it on us, baby!

ADMIT TO NOTHING! BLAME EVERYTHING!

MILK & CHEESE ARE INNOCENT! SO THERE!

You have only yourselves to BLAME!

MILK et CHEESE are very FRENCH, no?

Bonjour! Milk and Cheese are very french today, no?
Yes. Or, should I say, oui?
okay-- Wheeeeee!
But you must be asking yourselves-- WHY? Why do we do this thing? Impersonate the French?
LAIT

Our approach is TWOFOLD! Firstly, to embarrass the French & bring them more SHAME!
And, to PUNISH the french for NOT embracing Milk and Cheese as unfunny pop-cult heroes like Jerry Lewis!!
And, lastly, to reuse these joke berets from that "beatnik" strip we did a few years back.
That's three reasons.
I know. I was being funny.
oh.
LAIT

Besides, we have to do this.
It's on our calendar for today-- See?
MARC
MONDAY
TUESDAY
NO DAY TODAY-- EERIE!
1 DRINK BEER go fight watch t.v crack wise
7 DRINK GIN
8 REMINDER Ridicule and embarrass the FRENCH
14 DRINK BEER CRACK WISE PLAY NO-TALENT CELEBRITY TAG
15 DRINK BEERS BUST STUFF UP WATCH T.V. JUMP UP AND DOWN ON COUCH
21 RAMPAGE DRINK GIN
22 GOOF OFF TELL BAD JOKES

Unfortunately, we'll have to lose these silly french stripey shirts. We just don't have the bodies for them.
That in itself is indeed sad.
I wanted to do that kooky french dance where you smoke and slap french girls around under a streetlamp.
we can still do that!

BUT ENOUGH FUNNY DIALOGUE! IT'S TIME for ACTION! EVERYONE HATES the FRENCH but NOBODY DOES ANYTHING ABOUT IT!!!
well, there was the nazis, but--
Today we will be FRENCH! When we act horribly, people will blame France! And bits of Canada! And maybe even some Belgians...

MILK and CHEESE'S TOUR de FRANCE/TOUR de FORCE!

Our antics will damage France's international reputation far worse than their sad, sick devotion to Mickey Rourke!

Don't forget the French travesty that is Mime! or the horror of the Can-Can! "Gigi"! Maurice Chevalier! Jacques Tati! Marcel Marceau! Edith Piaf! Not to mention the pissy attitude and those silly accents!

NOW-IN the name of FRANCE--

--let us put on a display of sheer Terror!

Have a little French resistance!

Don't forget- Your pain is très French!

We're French! We're French! We're French! Remember this when you hate!

We are french agents provocateurs!

We're provoking you!

Did we mention we're French?

WE ARE THOSE TWO LOVABLE FRENCH GOOFS!

we have ooh-la-la appeal!

French Toast

To Your Health!

Well--THAT WAS FUN! WE hurt people and blamed it all on our enemy, the FRENCH!

The FRENCH don't love US-- so we PAY THEM BACK with spiteful rumor and fists! we serve them RIGHT!!!

I'd like to beat up the FRENch - but we'd have to GO to FRANCE to do this! Feh!

Ridiculous French! We laugh at you - HA HA! And we laugh some more - HA HA! HOW CAN YOU RESPECT A COUNTRY THAT CAN'T MAKE $ with a DISNEYLAND?

We're like the three musketeers! (from FRANCE)

Cruel fate! Our grand scheme is fizzling out by the panel!

That reminds me. Perhaps we should inform these nosy readers of our grand scheme.

Hmm... You think So?

Well, we did jump into this pretty lickety-split, without completely establishing this Strip's motivation.

Yeah, whatever. That's because we just don't care. We're cocky that way!

NYAH! NYAH!

SCRIPT NO-TALE

THE GRAND SCHEME REVEALED!

The truth is, we figure that no-talent bastards inflict themselves on us, so we want to inflict ourselves on them. We just can't live in peace knowing the Captain and Tennille are in good health!

MORE GRAND SCHEME!

Also, this scheme falls into the "Milk and Cheese try to get famous quick" category. Because we think if we snuff some Hollywood Square then we'd be famous, like that guy who killed that guy who sang "Give Peace a Chance."

Exactamundo! So, when people think of Fred "Rerun" Berry, they'll say, "OH! Fred Berry was fed glass until he bled to death by Milk and Cheese!

And that's US! So we think this is a good plan! A solid career move that could work out dandy for us! Book and movie offers, talk shows, toy lines, the "T.V. guide" crossword---

ALL THIS CAN BE OURS!

WHAT A GRAND SCHEME!!! Boy, where do we come up with these blockbuster ideas?

It's simple! We steal them! Just like everyone ELSE in comics!

Now! Back to the task out of hand! We need a target! Gavin MacLeod! Mackenzie Phillips! Yahoo Serious! Just where ARE these scumbags?!

I'd ask GOD himself, If I had his phone number! I'd say, "GOD, where the HELL is the Unknown Comic lurking? BECAUSE I GOTS TO KILL ME THAT MAN!"

Maybe we need to set our squinty-eye sights on a single talentless bastard?

But who? So many to choose from! How do we choose?

A talk-show host? A game-show host?

A "Saturday Night Live" cast member?

An M.T.V. V.J.? A Solid Gold dancer?

A Smothers Brother? A Hudson Brother?

Dr. Joyce Brothers?!

That Son of a bitch that did that "Ray Jay Johnson" routine in the '70s?

You could call him Ray, or you could call him Jay, but you should call him asshole...

universal sign of headache-

Wait! I've got another stolen idea! I'll flip through yon bible, la "T.V. Guide", and point to a page at random.. I'm sure to hit a no-talent for us!

Cheese. Stop watching 'Star Search'. I just gave myself an operation and I want to give you one too.
Okay. Just let me finish my drink and see who wins the children's dance category. Oh, forget it! Just give me an operation!

One operation later...
Voila'. This operation is a success.
Oh. That's good. But, Milk - why am I bleeding? I'm a cheese...
Because it's funnier with blood.

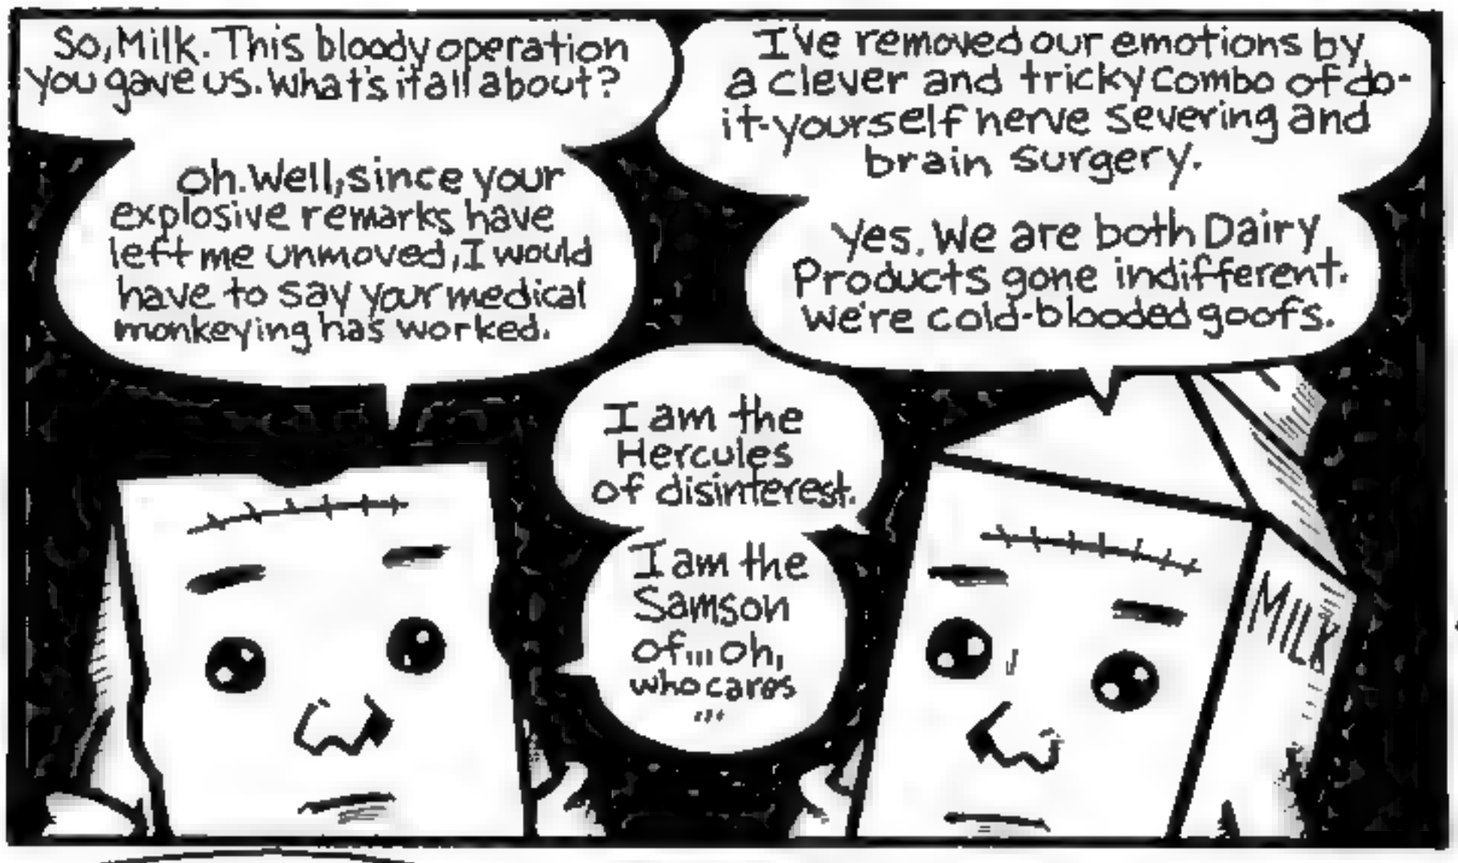
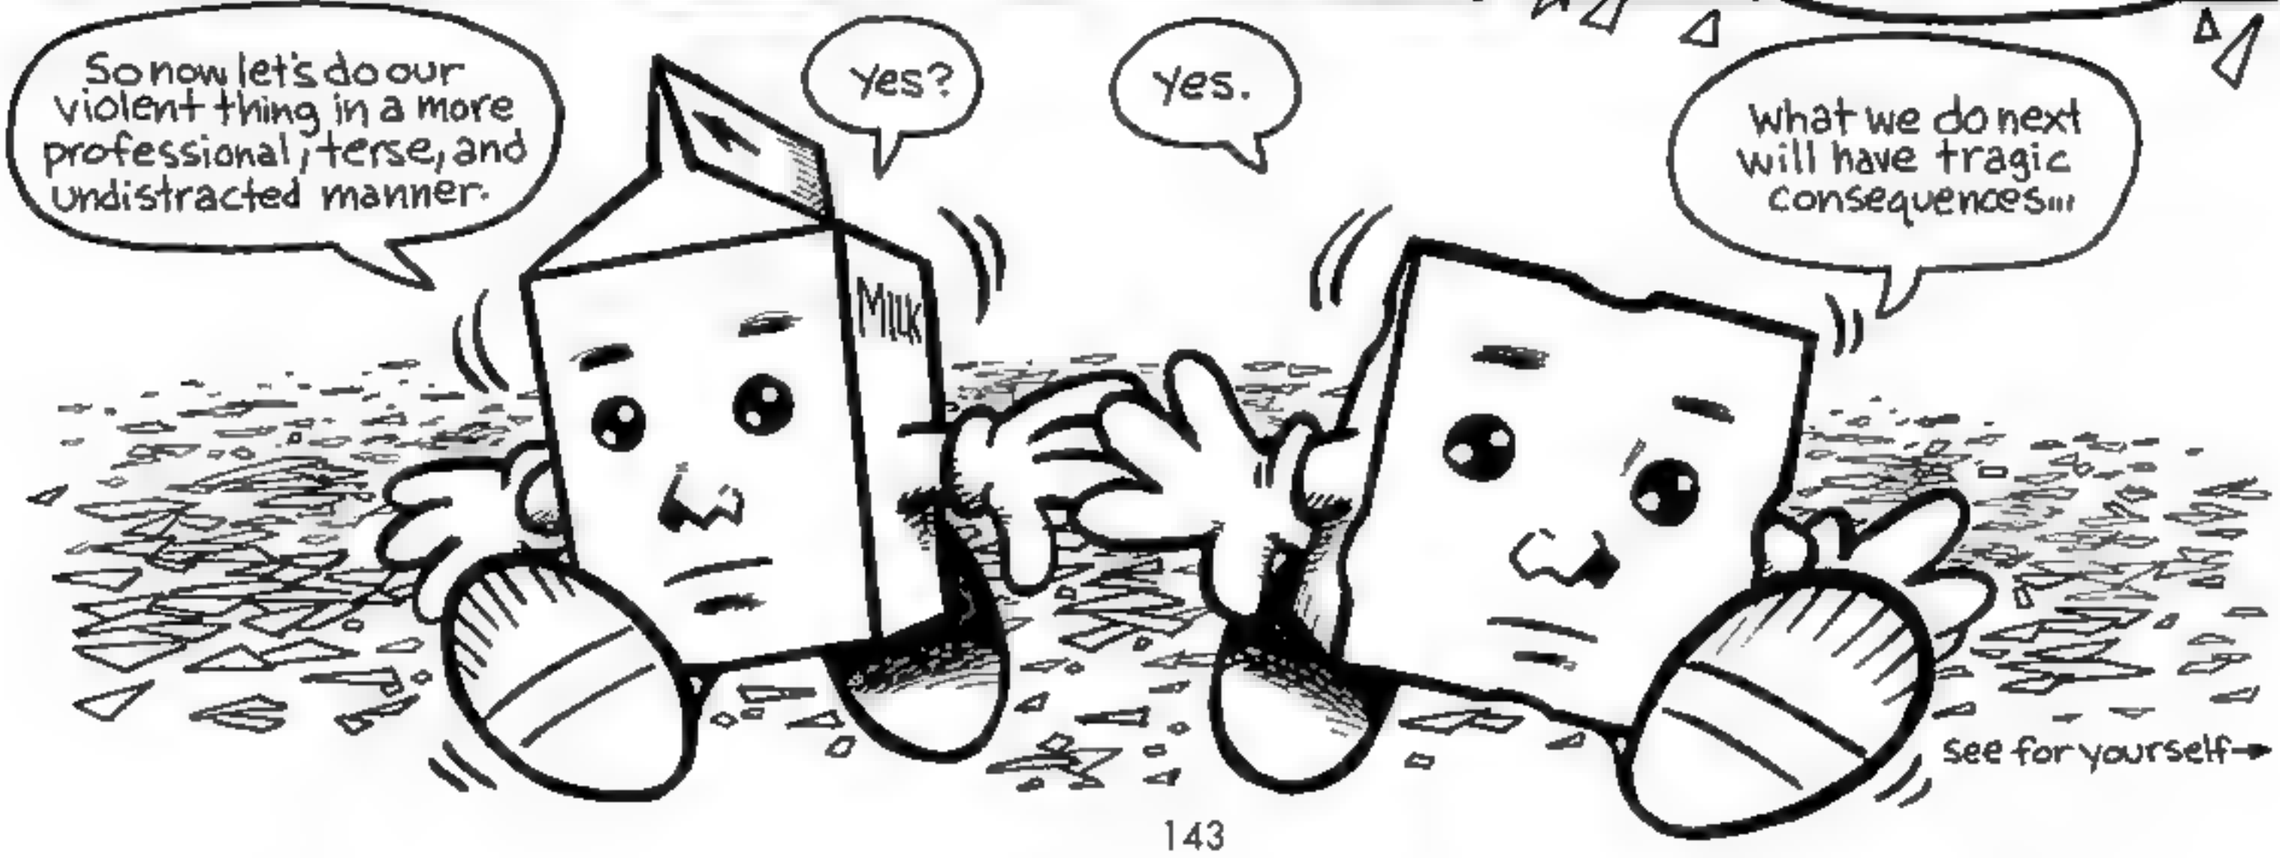
RUBBER CEMENT
oh, please try this at home! Please!!



So, Milk. This bloody operation you gave us. What's it all about?
Oh. Well, since your explosive remarks have left me unmoved, I would have to say your medical monkeying has worked.
I've removed our emotions by a clever and tricky combo of do-it-yourself nerve severing and brain surgery.
Yes. We are both Dairy Products gone indifferent. We're cold-blooded goofs.
I am the Hercules of disinterest.
I am the Samson of... oh, who cares ...
MILK

So why this new direction? Not that I'm interested ...
SMASH!
It's my idea. I felt if we acted in an unemotional, more detached manner, we could perform better.
Better performance leads to better sales. Better sales leads to better everything...
Even when they're chillin'- they act re-tarded



So now let's do our violent thing in a more professional, terse, and undistracted manner.
Yes?
Yes.
What we do next will have tragic consequences...

Hm. I see what you mean. we are the naked and the deadpan.

Indeed.

MILK! Stop the presses! I've just arrived at a mind-numbing conclusion about you and I--

YOU AND I ARE POSSESSED BY THE DEVIL!! *

It can't be. I just checked for that the other day.

IT'S TRUE!

* CUE DRAMATIC MUSIC!

I'm not convinced! There's no devil in me! I'm my own engine of destruction! So tell Satan to get thee behind me! No cutting the line! I'm in charge of me!

No, it's the DEVIL, I tell you! He's in US, way deep inside behind our faces-making us do his DEVIL bidding! Like that EDGAR BERGEN guy with his hand up a dummy's ass!

All the clever things we do and say, all our hilarious antics-the devil commands it! Look at our repertoire-senseless violence, bad puns, vomit, "C.P.O. Sharkey" reruns, THESE ARE ALL THE MARKS OF SATAN! ©TM

FRANKLIN MINT

It'll take more than that to convince me, my friend! At least a case of Meisterbrau!

LOOK! LOOK! HERE'S PROOF! When I make the sign of the DEVIL I have FOUR FINGERS! IT IS DECIDED!!

That is unnerving. Stop it.

PFUIT! YOU HOCKEYPUCK!

LOOK NOW! HORNS! BIG cocktail forks! Cloven hooves-you can't GET more devil than THIS!!! This sort of stuff screams satanic possession! This is solid proof of our external damnation!

This doesn't prove anything. You just got this stuff out of the prop box backstage. I saw you do it, Cheese.

IT'S BECAUSE I'M POSSESSED.

oh, pshaw! Silly Cheese!

Then what about this? DEVIL spelled backwards is LIVED! And Milk and Cheese have lived LARGE so it MUST be the DEVIL!!

I'm convinced. Milk and Cheese are possessed by the Devil. This is tragic, but it does explain a lot.

If I'd known I would have sold my soul for a beer. No! Three beers!

I would have sold mine for a licensing deal. And three beers.

POOR DEVILS!

WE'RE POSSESSED!!

We must partake in the DEVIL'S-FOOD CAKE! DEVIL DOGS! DEVILED EGGS! DEVILED HAM! GET MORE DEVIL IN US!

NOW, DEVIL-- TELL MILK and CHEESE the DEAL!

The message is clear!

"Take to the streets!"

An upside-down beer means get more beer! Viva libation!

Milk, wait! Remember that "Fantasy Island" where Mr. Roarke defeated the devil

Mr. Roarke better stay the hell away from us or I'll beat his ass down hard! White suit and all!

I'll take on his whole goddamned island!

Burn, baby, Burn! Disco Inferno!

Wait-didn't we say that in another strip?

Oh, I'm sure...

...blame Satan.

MILK and CHEESE
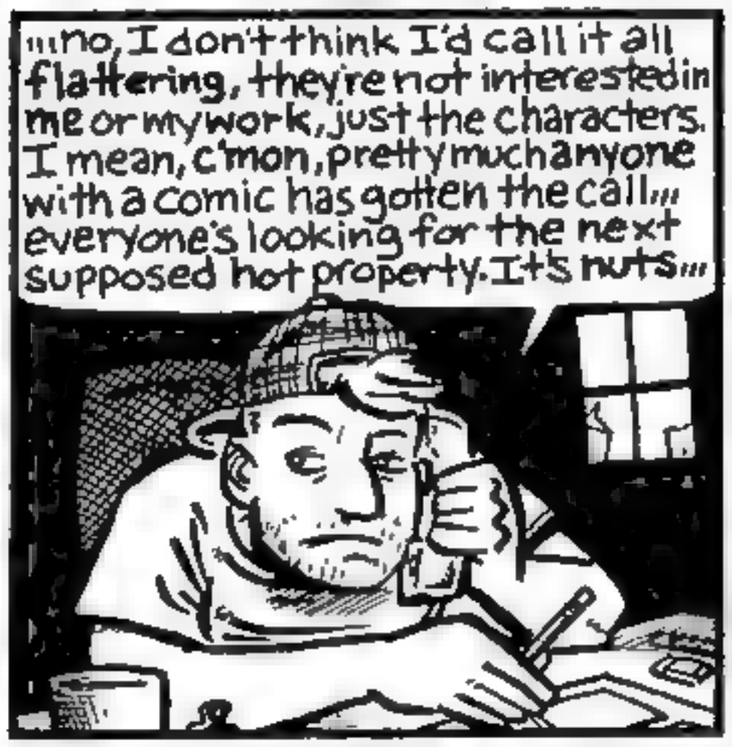
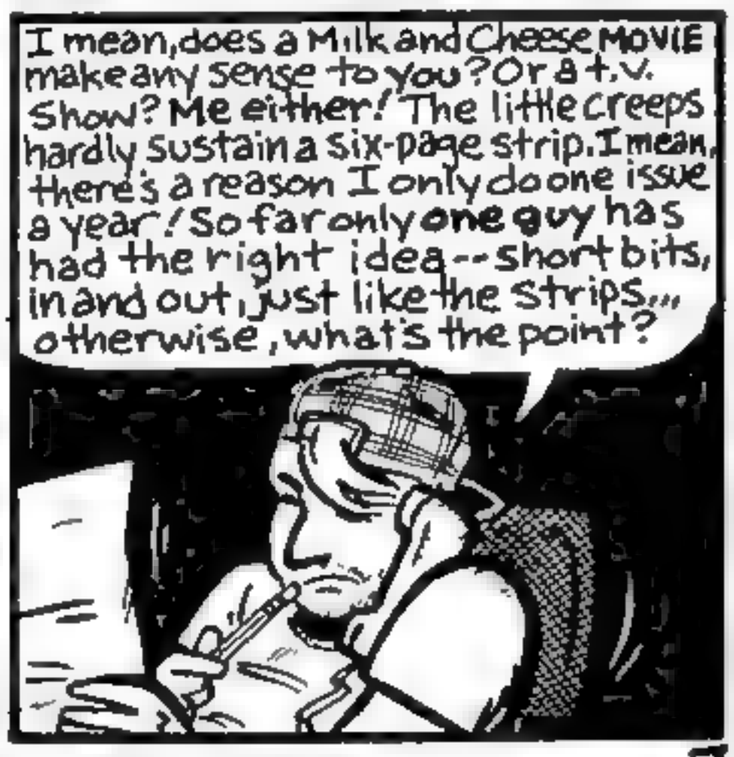
"there's No Business"
DeLux



...no, I don't think I'd call it all flattering, they're not interested in me or my work, just the characters. I mean, c'mon, pretty much anyone with a comic has gotten the call... everyone's looking for the next supposed hot property. It's nuts...

The best was this woman from Nirvana called about using Milk and Cheese for a KID'S SHOW hosted by a Jim Henson MUPPET! SO I ask her, "Have you READ Milk and Cheese?" And she says, "NO..." and I say, "well, you know the characters are ALCOHOLICS."
And there's this silence-
-And she says... "Really?" HA HAHA

It was just perfect, y'know? But at least she wasn't snide, she was just doing her chatty Hollywood job and all. Most of these goons act as if I should bow down and thank god I got their call. One putz kept calling me "cynical" because I wasn't interested in his half-assed idea for a Milk and Cheese movie...
MILK and CHEESE!
CYNICAL?! Damn right I am!



I mean, does a Milk and Cheese MOVIE make any sense to you? Or a t.v. show? Me either! The little creeps hardly sustain a six-page strip. I mean, there's a reason I only do one issue a year! So far only one guy has had the right idea -- short bits, in and out, just like the strips... otherwise, what's the point?

The ironic thing is that the strips are all about how Milk and Cheese want to be these pop-culture icons and here I am turning down all these offers... it's just so wei-

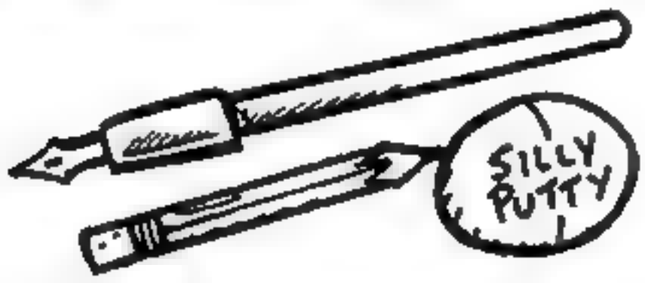
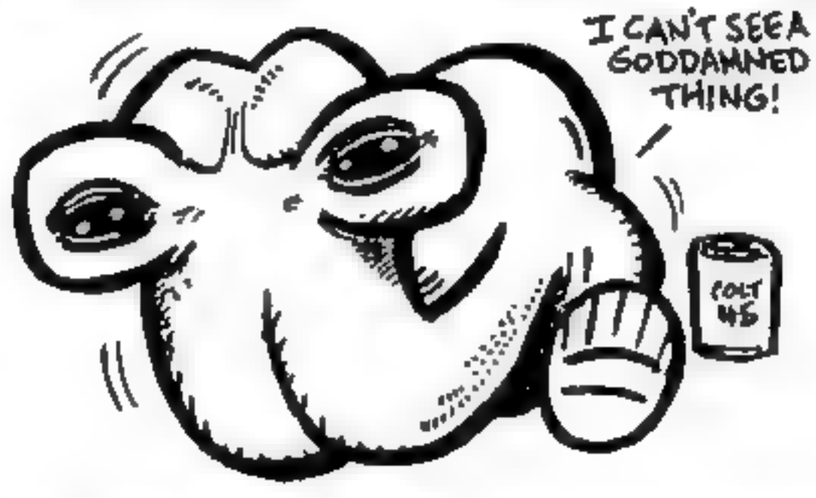
MILK AND CHEESE PRESENT:

A BEHIND-THE-SCENES LOOK AT THE FAKING OF "DARTH VADER OVERDRIVE."



∩ *1. Special equipment used to create the Special Edition.*



∩ *2. The unused 2-man Hammerhead suit posed several production problems, one being that it made M&C look like a pair of sentient testicles.*

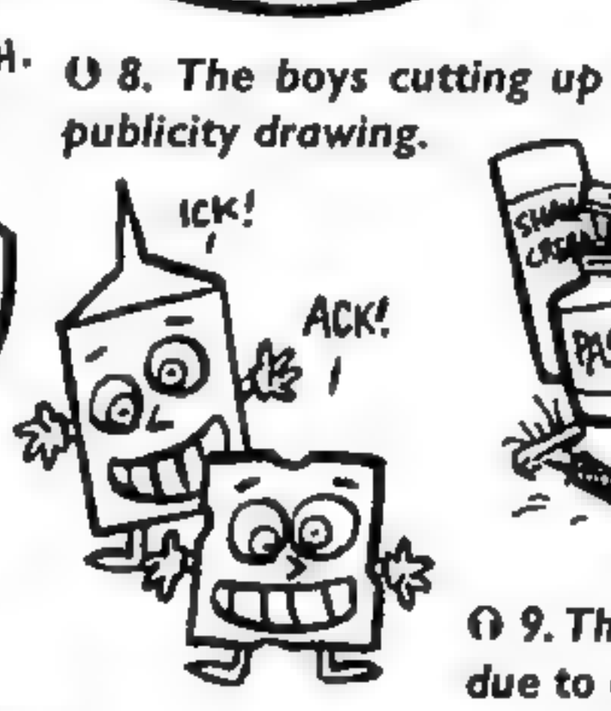
∩ *3. Some of the actual toilet tissue used in the added Mummy sequence, recently auctioned off on QVC for $7,255.*

⊂ *4. The Greedo scene was never drawn, the masks having been traded to a bodega owner for a case of Miller Lite. This is the only surviving shot of Milk in the Greedo mask. Or is it Cheese?*

∩ *6. It took audio experts almost a full hour to painstakingly achieve the desired sound effects for "Darth Vader Overdrive."*

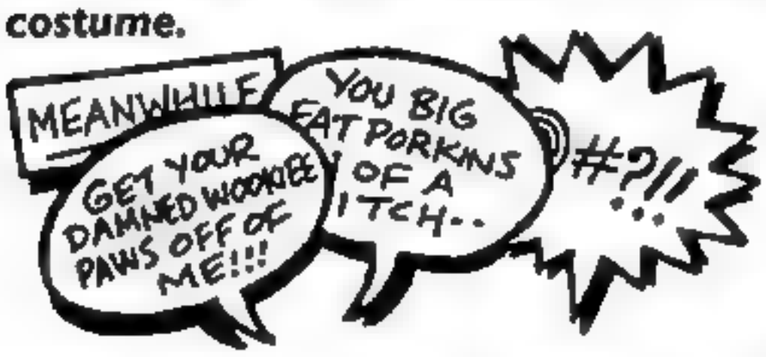
⊃ *5. Why the droids were dropped from the script entirely.*

∩ *7. Some failed attempts at an Admiral Ackbar costume.*



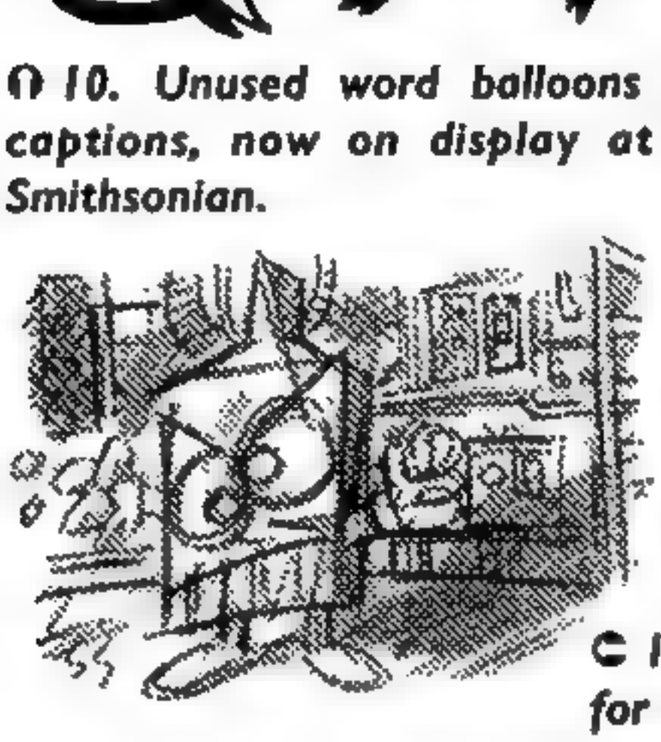
∩ *8. The boys cutting up for a publicity drawing.*

∩ *9. The expensive Wookiee scene was cut due to excessive crappiness.*



∩ *10. Unused word balloons and captions, now on display at the Smithsonian.*

⊂ *12. The staff beer of choice during production was the same as Lando Calrissian's.*



∩ *11. To accurately portray two "Star Wars" fans, staunch method actors Milk and Cheese gained a combined 73 lbs. Ironically, the "fan scene" was ultimately cut.*

∩ *14. The cartoonist hard at work on his personal vision.*

⊂ *13. Numerous pencil sketches were done for absolutely no reason.*

DVO: THE MERCHANDISING CAMPAIGN THAT FAILED

While working on this comic a thought came to me — "Hey, why not try to merchandise the living shit out of this thing?" To not even try was decidedly un-American, so I quickly made my plans for a full line of M&C DVO merchandise, based around a line of M&C DVO action figures. My plan to get them produced was simple: First, I would call up George Lucas and ask his permission. If he was hesitant, I would bullshit him and tell him I loved that Radioland Murder Mystery thing he produced. Then, after he said yes, I'd call Kenner up and tell them George said it was "okay." Kenner would make the toys and I'd become a stinking rich billionaire and quit comics and live happily ever after.

Unfortunately none of this worked out. But here are the original concept drawings done one night while I was high on Nyquil.

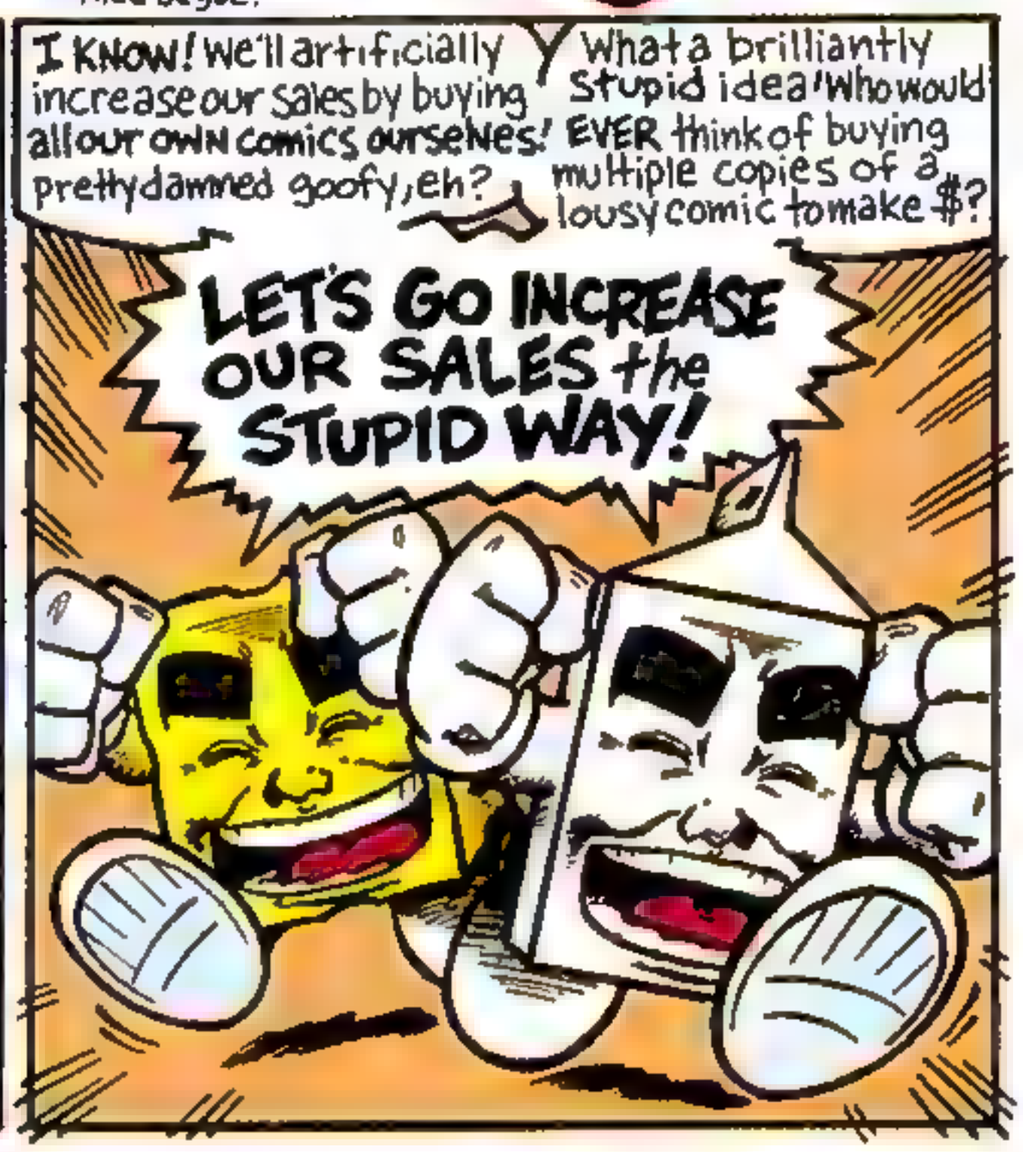
* nice segue!

WE MUST INCREASE OUR SALES!! Increased sales bring home the bacon! And the beer! And big boxes of STUFF! Increased sales get you the GOODS!!
we need to use our tricky brains to conjure up a peppy sales-fattening SCHEME!
AHOY, matey! I have ideas!
SMASH!
TANTRUM!

How about we start a public-relations campaign to increase the public's awareness of the comic-book medium? Then we can promote our work to general audiences and create a healthier environment for all comic books including our own?!?
BAH! To HELL with public relations! WE HATE the PUBLIC! And their STUPID RELATIONS! We need a more devious and imbecilic Milk and Cheese-style plan!
YOU'RE RIGHT!



I KNOW! We'll artificially increase our sales by buying all our own comics ourselves! pretty damned goofy, eh?
What a brilliantly stupid idea! Who would EVER think of buying multiple copies of a lousy comic to make $?
LET'S GO INCREASE OUR SALES the STUPID WAY!

Ahoy! Methinks there's a comic-book shop over yonder in the background, Cheese!

Hm, yes. I can smell it from here... like a day-old suicide.

Let us proceed.

A COMIC BOOK SHOP WITH THE WORD COMIC IN IT !!

HELLO! WE ARE NOT MILK and CHEESE! WE ARE BUT HUMBLE CUSTOMERS SEEKING HEARTY COMIC-BOOK FARE!

NOW SELL US ALL THE MILK and CHEESE COMICS YOU HAVE TOOT-SWEET!

CHEESE

DAIRY PRODUCTS GONE BAD...

Society is to Blame!

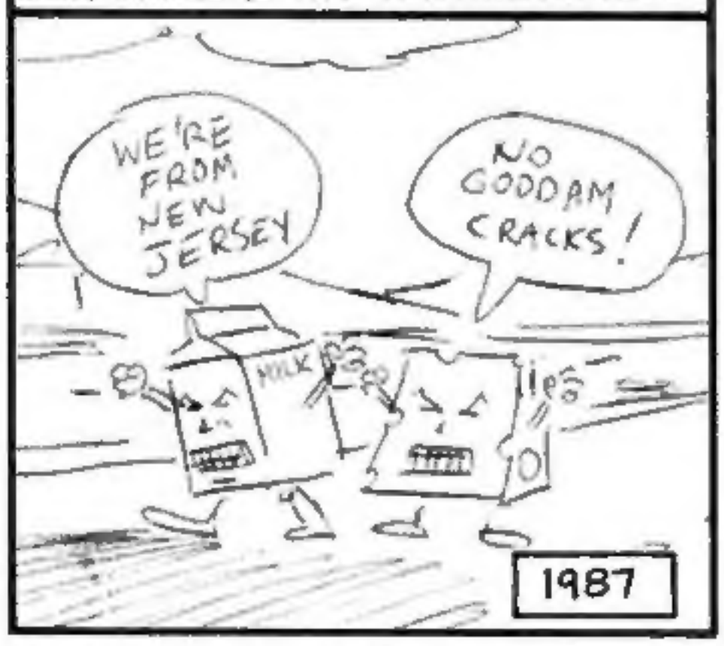
MILK AND CHEESE BEGAN LIFE AS A NAPKIN DOODLE, DRAWN LATE ONE NIGHT IN A RESTAURANT IN NEW YORK CITY WHILE I WAS WAITING FOR FOOD.



IN A DRUNKEN, POST-CBGB'S SKA-SHOW HAZE, THE FARTHEST THOUGHT IN MY HEAD AT THE TIME WAS, "EUREKA! **ANGRY ALCOHOLIC DAIRY PRODUCTS!** SURELY, HERE IS MY TICKET TO SMALL-TIME COMIC-BOOK FAME!"

I LIKE THEM.
THEY'RE FROM NEW JERSEY. NO CRACKS.
THEY'RE CUTE. WHERE THE HELL'S OUR FOOD?
BRIAN MARSHALL
(HE STILL HAS THE NAPKIN)
TONY ENG
(ALCOHOL + FOOD = M&C?)

I LIKED THE CHARACTERS, THOUGH, AND I CONTINUED TO DRAW THEM, IN LETTERS TO FRIENDS, ON THE BACKS OF COMIC PAGES, AND ON NUMEROUS BOOZE-STAINED COCKTAIL NAPKINS. STILL, I HAD NO PLANS FOR MILK AND CHEESE, DESPITE GIVING THEM A TAGLINE.

AT SOME POINT IN 1988, JIM HANLEY, MY BOSS AT THE COMIC SHOP I WORKED AT, MADE A CRUCIAL SUGGESTION TO ME REGARDING the FUTURE OF MILK & CHEESE.

YOU SHOULD CALL THEM "DAIRY PRODUCTS GONE **BAD**," INSTEAD OF "DAIRY PRODUCTS GONE SOUR."
REALLY? Y'THINK?
HUH. "DAIRY PRODUCTS GONE BAD."
HMM. I DUNNO ...
MAN OF STEEL #1

LATER THAT YEAR I WAS SITTING BEHIND MY TABLE AT THE SAN DIEGO COMIC-CON, DRAWING SKETCHES FOR FANS HOPING I WAS A MARVEL OR DC ARTIST. INSTEAD OF SUPERHEROES THEY GOT DRAWINGS OF AN ANGRY MILK and CHEESE.

THEN I MET KURT SAYENGA, WHO SAID:
IF YOU EVER DO A COMIC WITH MILK AND CHEESE I'D RUN IT IN "GREED MAGAZINE."
WAS HOPING FOR A WOLVERINE SKETCH
A + COMIC?
HUH.
COMICS ARE STUPID
BURN YOUR COMICS!

AFTER THAT FIRST STRIP RAN IN "GREED" #6, I GOT OFFERS TO DO MORE OF THEM FOR OTHER ZINES AND COMIC ANTHOLOGIES. UNFORTUNATELY, MOST OF THEM WENT BELLY UP BEFORE RUNNING MY STUFF. BY LATE 1990 I HAD ENOUGH PAGES SITTING AROUND TO FILL UP A COMIC--WHICH ENDED UP GETTING PUBLISHED BY SLAVE LABOR GRAPHICS.

HEY, WOULD YOU WANT TO PUT OUT A MILK AND CHEESE COMIC?
SURE, WHAT THE HELL?
DAN VADO (PUBLISHER)
MY FIRST SERIES PUBLISHED BY SLG
PIRATE CORPS!
MILK ... CHEESE

"MILK AND CHEESE" #1 CAME OUT IN 1991. BY 1997 THERE WERE SEVEN ISSUES ALL TOLD, FEATURING STRIPS FROM VARIOUS ANTHOLOGIES ("DEADLINE," "DEADLINE U.S.A.," DARK HORSE PRESENTS," "NEGATIVE BURN," ET AL.) ALONG WITH NEW MATERIAL. A MINICOMIC APPEARED IN LATE '97, AND THEN MILK AND CHEESE WENT INTO SEMIRETIREMENT. WHICH BRINGS US TO THIS BOOK, WHICH COLLECTS EVERY MILK AND CHEESE STRIP PUBLISHED FROM 1989-2010. (SAVE FOR CROSSOVERS AND CAMEOS, WHICH DON'T COUNT.)

I'D LIKE TO THANK SOME PEOPLE WHOSE SUPPORT AND ENCOURAGEMENT HELPED MAKE THIS BOOK POSSIBLE. ALONG WITH THE FOLKS ALREADY MENTIONED, THEY INCLUDE BOB SCHRECK, DIANA SCHUTZ, TOMMY LYNCH, BOB BURDEN, JEFF HANSEN, DAVE ELLIOT, SI SPENCER, FRANK WYNNE, TOM ASTOR, CHRIS WARNER, MIKE RICHARDSON, RICH DAHM, PAT MILLER, JOE PRUETT, KEITH CUNNINGHAM, TOM HAZELMYER, SCOTT SAAVEDRA, CRAIG PAPE, JIM McLAUGHLIN, DREW OGIER & ANTHONY CLAUSO, AS WELL AS TH[E] BOB CHAPMAN, RETAILERS, READERS, I[N]TERVIEWER[S], ZINESTERS, A[N]D OTHERS WH[O] REVIEW[ED] GAVE MI[LK] AND CHEESE THEIR TIME AND ATTENTION.

FOR THIS COLLECTION MY SINCEREST THANKS GO TO SCOTT ALLIE AND DANIEL CHABON FOR GOING THROUGH EDITING HELL, AND TO MY WIFE, SARAH DYER, WHO MAKES ALL THINGS POSSIBLE AND WITHOUT WHOM THIS BOOK SIMPLY WOULD NOT HAVE HAPPENED. FINALLY, I'D LIKE TO THANK DAN VADO, EVEN THOUGH--

LOOK OUT!
THERE THEY GO!

"Milk and Cheese is the cream of the comic crop, a butter-bomb of hilarity, and one other lactose-based metaphor."

—PATTON OSWALT
(*Ratatouille, Aqua Teen Hunger Force, Big Fan*)

"I adore what Evan Dorkin does. I think he's the funniest guy in comics."

—FRANK MILLER
(*300, Sin City*)

"Dorkin is a powerful man, and this is powerful stuff—you buy this book, you'll black out, probably wake up in prison. But don't let that stop you."

—BRYAN LEE O'MALLEY
(*Scott Pilgrim's Precious Little Life*)

"Evan's calcium-rich creations are guaranteed to spread lactose intolerance everywhere."

—DAVID MAZZUCCHELLI
(*Asterios Polyp, Batman: Year One*)

THEY'RE NOT ANTISOCIAL—

THEY'RE ANTI-EVERYTHING!

A carton of hate. A wedge of spite. A comic book of idiotic genius. The Eisner Award–winning dairy duo returns in this deluxe hardcover collecting every single stupid *Milk and Cheese* comic ever made from 1989 to 2010, along with a sh*t ton of supplemental awesomeness. This has everything you need! Don't judge it—love it! Or else!
